

TO THE HONORABLE BOARD OF COMMISSIONERS OF BERRIEN COUNTY, MICHIGAN:
Your County Administration Committee respectfully recommends the adoption of the following

R E S O L U T I O N

WHEREAS, the Berrien County Road Department Engineering Supervisor reported construction has started on the Buckhorn Creek culvert replacement project on M-139; and

WHEREAS, as a result of this Michigan Department of Transportation (“MDOT”) project, there are several detour routes to maintain traffic flow; and

WHEREAS, following a traffic engineering study that was conducted by the Berrien County Road Department (“Department”) on the roads included in the detour route, it was determined that the temporary speed limit of 45 miles per hour was appropriate on Linco Road, Hollywood Road, Scottsdale Road, and John Beers Road in Royalton Township; and

WHEREAS, numerous traffic crashes have occurred at the intersection of Linco Road and Hollywood Road due to the conditions found to exist at that intersection; and

WHEREAS, following consultation with the Michigan State Police (“MSP”), the Department determined that a reasonable and safe course of action at that intersection, during the construction project, is to temporarily make it into a four-way stop intersection.

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Berrien County Board of Commissioners, in accordance with Part 6 of the Michigan Manual of Uniform Traffic Control Devices, authorizes the Berrien County Road Department to install signage indicating a temporary four-way stop at the intersection of Linco Road and Hollywood Road in Royalton Township.

BE IT FURTHER RESOLVED that the signage will be erected and maintained in conformity with the Michigan Manual of Uniform Traffic Control Devices.

BE IT FURTHER RESOLVED that the four-way stop, retroactive to July 16, 2021, be put in effect during construction of the Buckhorn Creek culvert on M-139 or until the Berrien County Road Department deems it unnecessary.

RESPECTFULLY SUBMITTED
BERRIEN COUNTY ADMINISTRATION COMMITTEE
