Q & A with Bill Wolf and BOC Chair Elliott

Administrator Bill Wolf stopped in but the Committee had nothing for him.

Resolutions

The following Resolutions were approved and signed:

A2001135 – Restrict new types of refugee placement in Berrien County.

A2001140 – Abandon portion of County road.

Miscellaneous

The committee discussed the reporting schedule. Commissioner Majerek would like to know if with the new animal control software, if it is able to provide any kind of new reports or information than what has previously been provided at updates. He also said he would like to see some comparisons from year to year of the data from the Sheriff's Department. Commissioner Curran said he would like to have an overview of the rankings and uniforms used.

Commissioner Curran commented that he is still working on obtaining more information with regard to the new positions that the Sherriff and the Prosecutor are requesting. He said as of now, if we can only have one or the other, he would rather have the Prosecutor's than the Sheriff's just because the Sheriff's is an FBI Taskforce assignment.

Meeting adjourned at 9:50 am.

Respectfully Submitted,

Annette Christie
