Name of Surety Company _____
Address/Phone # _____

SOIL EROSION AND SEDIMENTATION CONTROL PLAN

Completion and approval of this application and your Soil Erosion Control Plan allows for periodic inspection, without fear of prosecution, on lands covered by this permit at reasonable hours. In order to prevent soil erosion and subsequent sedimentation of streams and lakes, and to keep sediment on the site, the applicant agrees to strictly adhere to the specifications indicated on the permit and the control plan he has submitted.

I (we) affirm that the information herein provided, is accurate and that I (we) will bear the full responsibility to assure that the designee(s) will conduct the described earth change in accordance with Part 91, Soil Erosion and Sedimentation Control, of the Natural Resource and Environmental Protection Act, 1994 PA 451, as amended, applicable ordinances and the documents accompanying this application.

Landowners Signature _____ **Date** _____
PRINT NAME _____ **Phone #** _____
***Designated Agent's Signature** _____ **Date** _____
PRINT NAME _____

* Designated agent must have a written statement or an affidavit from landowner authorizing him/her to secure a permit in the landowner's name, if application is not signed by owner.
